

Muiga Cynthia Mumbi

SOFTWARE DEVELOPER

Kisumu County

e: bakhita650@gmail.com

t: +254 740867393 / +254 751314501

Objective

My career objective is to be a specialist in software development, provide consultancy and solutions to problems in regards to technology.

Work Experience

Software Development Intern

Fintech Kenya Limited ~ 2018 January – 2018 July

Current tasks include debugging and enhancement of existing systems, controlled practical development work, QA of systems in development, documentation of user manuals, and creation of reports.

Utilising Visual Studio as my IDE, programming in C# and VB.net, Ms Word for documentation, Crystal reports for generation of reports and SQL for database management.

I have acquired basic financial knowledge in regards to dealing with financial systems.

Software Development Intern

Virtual City ~ 2017 March – 2017 September

I joined the company for field attachment and after completion, got retained as an intern. I was in the UI/UX department which entailed designing, developing and modifying software systems.

I used AxureRP among other prototyping tools for wireframe building, Visual Studio as my IDE, developed in Angular JS, C#, HTML/CSS and SQL Server for database management.

Field Attachment

Virtual City ~ 2017 January – 2017 March

Personal Experience

Application Security Specialist with IBM Security AppScan v8.7

I undertook a course on Cyber Security with IBM and after evaluation, got certified as a security specialist.

Qualifications

BSc Information Technology

Kabarak University ~ 2013 – 2019

Awaiting graduation in December

K.C.S.E

Limuru Girls' High School ~ 2009 – 2012

Mean grade of B-

K.C.P.E

Effort Junior School ~ 2006 – 2008

Mean grade of A

Skills
